My dear Dr. Harpner,

This is to inform you that I shall ^{be} sending your MS to Messrs. Methuen & Co. Ltd. to-morrow. As a rule, it takes about three weeks before getting their decision. As soon as I hear from them, I let you know.

Meanwhile, I would be very glad, if you could let me have another copy of the MS together with the issue of the New Commonwealth.

With the compliments of the season, I am,

Yours very sincerely,

Dr. Otto Harpner,
33 Eltlisley Avenue,
Cambridge.
